

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction products

Aluminium and aluminium alloys – Structural products for construction works – Technical conditions for inspection and delivery

Extruded profiles and tubes in accordance with EN 755-1 and -2 from Aluminium-alloys according to table 2 of EN 1090-3:2019

placed on the market under the name or trademark of

Hydro Extrusion Sweden AB

Metallvägen
SE-574 81 Vetlanda, Sweden

and produced in the manufacturing plant
same as above

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the standard

EN 15088:2005

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 2021-04-29 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Issued by notified body 0402
The validity of this certificate can be verified on our website.
