

We're looking to rezone land near
Gillieston Heights for residential development.

WHAT DO YOU THINK?

Hydro is looking
to rezone land
for residential
use, close to
Gillieston Heights.

The proposed residential land is predominantly to the East of the South Maitland Railway Line. This is in keeping with other nearby developments and would extend the existing residential corridor. We want to understand what you, as a member of the community, think of the idea, and what issues we should consider.
